VOLUME 01

GRANITE KITCHEN SINK COLLECTION

Six sinks in granite composite — single and double bowls, for undermount and top-mount installation, in Pearl Black, Pure White and Titanium Grey.

Each model has a page of its own: the sink installed in a kitchen, its specifications, and a drawing of its overall dimensions and bowl layout. Sizes, layouts and the two installations are compared at the front.

INSTALLATION

UNDERMOUNT AND TOP-MOUNT

The granite sinks are made for one of two installations, as listed for each model.

UNDERMOUNT

Fitted under the worktop: the worktop's own edge runs round the bowl.

4 MODELS

GDU 8145	07
GSU 6045	10
GSU 7545	11
GSU 8045	12

TOP-MOUNT

Set into a cut-out from above: the sink's rim rests on the worktop.

NOTES

ABOUT THIS CATALOGUE

Dimensions are width × depth, in millimetres, as listed. Bowl depth and overall height are not given in the source.

The drawings show the listed overall dimensions; the bowl layout is drawn from the product photographs, for reference.

GST 7546 is listed in Pearl Black and Pure White only.

Images are visualisations made from the supplied product photographs and listed dimensions. The kitchens, taps and accessories in them are styling and are not included unless listed in the specifications.

Colours and finishes in print may differ slightly from the products.

† Marks information awaiting confirmation from the supplier.
