NOTES

ABOUT THIS CATALOGUE

Specifications, product codes and types are as printed in the Wellup PRICE LIST 2026 (Door & Lock). Every door is listed at 200 x 70 cm, 1.8mm.

Each model is listed in R and in L, with a product code for each. The price list does not show which way R or L opens.

Not stated in the price list: stock, delivery, installation, warranty, whether the frame (kusen) is included, the handle and lock, and the opening a door needs. Contact us for details.

The doors are shown as photographed for the shop. No photographs were supplied for the PT 109, PT 409, PT 709, PT 809 and PT 909: their pictures are the price list's own.

The price list's own picture of the PT 111 shows the PT 113; the PT 111's photographs are used here.

The hallway on the cover and in the introduction is a visualisation, made from the supplied photograph of the PT 2602 in Dark Grey with a black list; the room and what stands in it are styling.

Prices are not printed in this catalogue. For prices, see the website or contact us.

Colours in print may differ slightly from the products.

† Marks information to be confirmed with the store.

† In Dark Grey, the PT 409 is offered in R only. Contact us for details.
